

May Howard Elementary School

Mrs. Kowalchuk's 2nd Grade Class

READING

We are excited about starting our rotations this week. We will be learning about folktales and fables this week.

Math- We are now in **Module 2** and we will be on **Lesson 9 on Monday.**

We are continuing measuring in centimeters in Module 2. Our Module 2 assessment will be later this week. 😊

HOMEWORK

Our homework this week will be Eureka math. Please read for 20 minutes nightly. If your child is not a steady independent reader yet, please read a page and have your child read the next page to you.

New reading logs with our new dates are in red folder this week.

Remember all homework will be returned on Friday morning. Homework is given out on Monday for the entire week. Thank you for your support with this.

Spelling words for the week are the following: add, ask, came, name, ride, bone, save, kite, cute, mine, talk, and walk

Nice Comment Jar:

Our comment for our Comment Jar this week is the following:
The students worked hard in Eureka. Way to Go!

Please remember Friday Snack list is on our website. Please remember we have a tree nut allergy in the classroom.

We will continue to test Map Math this upcoming week. We are trying to get everyone finished and conferences will be scheduled once all testing is done.

Thank you for your patience 😊

We are hopeful that everyone was safe during Dorian. We have really missed everyone and hope everyone was able to get back to Savannah safely 😊
