

## **Valentine's Activity**

**Our Valentine's activity will be held on Friday, February 14<sup>th</sup>. We will exchange cards and have a special snack on that day. Students will decorate white bags in the classroom for the Valentine exchange. The bags will be provided to the students by teachers :) A list of their classmates are attached. Please have your child write his or her name on the back of their Valentine's they are giving out. Please make sure all Valentines are brought in by February 13<sup>th</sup>. Thanks so much for your help with this!**

**Thank You,  
Elaine and Bonnie**
